

FEE SCHEDULE DANCE – Updated June 2020

Single Class Term

1 Class a Week - \$10 (Invoiced as a term fee)

Student is enrolled/booked into 1 class for the term. eg. "Ballet Junior Class" and attends only that class for the term. Great for a once a week dancer that only desires to do 1 style of dance.

Memberships*

Students with a membership can enrol/book into all or any styles/classes within their age group at the start of the term. Allowing them to attend multiple times a week and gain a well-rounded dance education. When enrolled in a class at the start of the term it is expected that the student attend that class all term as there is limited spaces in each class. With the membership flat rate for classes we hope that this encourages students to do more regular classes at a fraction of the cost.
